

ADDENDUM TWO
Request for Proposal 15-142
INTERIOR ENERGY PROJECT (IEP)

August 3, 2015

The following is intended for informational purposes. Offerors are not required to acknowledge amendment #2 with their proposal.

The AIDEA RFP for IEP Energy Supply is modified to include the following regarding AIDEA release of information.

Within 5 days of the RFP closing date:

AIDEA will make public a summary of the proposals received. AIDEA will not reveal the name of any proposer or any technical or commercial information. Information released will be limited to:

- Total number of proposals received
- The number of proposals received by type:
 - Cook Inlet LNG
 - North Slope LNG
 - In-state propane
 - Imported propane
 - Small diameter pipeline
 - Proposals that include either or both natural gas supply or transportation
 - Other
- Further release of information regarding proposals is not addressed in this amendment and may be addressed in subsequent amendments

After recommendation of a partner to the AIDEA Board:

AIDEA will make public all information that is not determined to be confidential by the AIDEA Executive Director. AIDEA will not make public any information marked confidential in the proposals.

All other terms and conditions remain the same.

END OF ADDENDUM

We appreciate your participation in this solicitation.

Sincerely,

Tom Erickson
Chief Procurement Officer
