February 11, 2016

EMAIL TO: All RFP recipients on record.

The Request for Proposal (RFP) is hereby clarified or changed as follows:

1. The RFP deadline remains unchanged.

General Question and Answer

2. **Q.** It states that Pentex Alaska Gas Company “may qualify as a component unit of AIDEA in the FY 16 financial statements, if it remains under AIDEA ownership.” Do you know the intentions of whether AIDEA will retain ownership? Is it within the scope of this RFP? If so, it will probably be a component unit. Has an assessment been made on whether it will be a blended or discretely presented component unit? If so, does AIDEA have audited financial statement statements?

A. Pentex Alaska Gas Company is within the scope of this RFP. If Pentex is an AIDEA asset or partnership, it will need to be included in the audit. The final determination on whether Pentex is a blended component unit or discretely component unit has not been made, however, current discussions reflect it as a blended component unit We do not have Audited Financial statements for Pentex..

All other terms and conditions remain the same.
