

March 24, 2017

Invitation to Bid 17056 Control Enclosure for Robert Douglas Substation
Addendum 2

The Bid due date is unchanged. Submittals are due before **2:00 p.m. March 30, 2017.**

Addendum 2 is issued to modify Appendix A, Section 20 regarding the Warranty.

1. Appendix A, Terms and Conditions, Section 20, Warranty: Remove and Replace with the following:
 - a. The Control Enclosure shall be provided with the manufacturer's warranty against latent defects.
 - b. The term of the warranty shall begin on the date of acceptance by AEA.
 - c. At a minimum, Contractor shall include a warranty for all labor, parts and equipment supplied by this Contract for two (2) years.
 - d. The Contractor shall list MEA as the owner of all equipment supplied by this Contract for registration with the individual vendors and material suppliers. The warranties shall be supplied to AEA.

As a reminder, all addendum must be acknowledged on the bid schedule.

Thank you,

Andrew Morton
